Former Airport Official Gets Probation, Fine in Sex Case

Former Burbank-Glendale-Pasadena Airport executive Samuel L. Jones has been sentenced to five years probation and fined \$1,000 by a Pasadena Superior Court judge for sexual misconduct involving three teen-age boys.

Other conditions of the sentence imposed last week by Judge Gilbert Alston prohibit Jones, 40, from associating with minors unless another adult is present, and require that he receive psychiatric or psychological counseling, according to Deputy Dist. Atty. Rebecca Omens.

If Jones violates the conditions of his probation, Omens added, he could face up to eight years in prison.

Jones, who met one of the boys while he was a volunteer with Big Brothers of America, pleaded guilty in March to one felony count of committing lewd and lascivious acts with a minor and two misdemeanor counts of contributing to the delinquency of a minor. Alston dismissed three other counts of child molestation, child annoying and contributing to the delinquency of a minor, Omens said.

The incidents occurred in August, 1983, and last January at Jones' South Pasadena home, Omens said. Two boys were 13 and one was 15 at the time, she said.

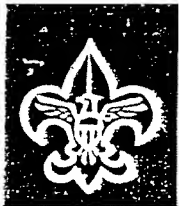

Jones was arrested in January at his office by investigators from the Los Angeles Police Department's sexually exploited child unit. Big Brother representatives had contacted the police after receiving a complaint from the mother of Jones' former "little brother" that Jones had molested [redacted] according to Detective Dale Barraclough.

Jones resigned from his position as manager of community relations for the airport on Jan. 27, a week after he was arrested. He had served in that job four years.

Dear Mr. Ernst:

Thank you for your letter in answer to Mr. Claerhout's regarding a member of our Advisory Board, Samuel L. Jones.

We have very little information in the personnel records in this office on Mr. Jones. He was employed a few years back by the councils in the Los Angeles Basin for Public Relations work, and our office here in the L.A. Council does not appear to have his personnel info. Hopefully, your records there may have more.

Sorry we cannot be of further help.

Sincerely,

Mr. Samuel L. Jones
Director of Communications
Southern California Scouting
2333 Scout Way
Los Angeles, California 90026

Dear Sam:

As you may know, the Council Executives of Southern California Scouting had a special meeting on July 3, 1978. At this meeting they voted to suspend the agreement with Fund Raisers, Inc. as it relates to the development campaign.

Naturally, since the development campaign is the source of funding for the Southern California Communications program, the decision caused considerable serious and lengthy discussion from all present. It was then their unanimous decision to request that I inform you, effective no later than September 30, 1978, your position and employment shall be terminated.

Because of your professional status with the Boy Scouts of America, I have informed our Western Region Personnel Division of this action. You should discuss with Lynn Austin your interests and desires for placement.

Your participation in the various benefits plans will terminate (if you are not placed with the B.S.A.) but you will receive communication directly from the Compensation and Benefits Service, Personnel Division, regarding insurance coverages which may be converted to individual plans and any option you may have under the retirement plans.

It would be our hope that between now and September 30th you will be able to complete all current projects, complete a detailed check out report, giving details and locations of all pertinent files and information. In addition, during this time we would want you to take your current year's vacation plus days accrued toward next year's vacation.

Sam, each of the Council Executives asked that I convey their deep appreciation for your services to their councils and further agreed to give whatever assistance you might request regards future employment.

Most sincerely,

William R. Kephart
